
Shampoo Sally

Shampoo Sally
Washing her hair
Splashing soapsuds everywhere.

Soapsuds in the water,
Soapsuds in the air,
Soapsuds here and soapsuds there.

Shampoo Sally
Rinsing her hair,
Splashing water everywhere.

Water on the bath mat,
Water on the floor,
Water dripping down the bathroom door.

Shampoo Sally
Washing her hair,
Soapsuds and water everywhere.
Shampoo Sally doesn't care.
