Return to school

A **huge** welcome to all the children who are returning; to our new Reception children and parents, and the children who have joined other classes this September. It is wonderful to have you all here and we are so proud how each and every one of you have adapted and managed the return back.

YEAR 3 SWIMMING - HELP

Half of year 3 started swimming this week but no parents were able to join. We had to pull teaching assistants out of other year groups to join the swimmers. If any parent, grandparent etc would like to join us swimming please let the office know. You will need a DBS but if this is something you are willing to commit to over the year, the school will pay for the application cost.

GARDENING CLUB

Gardening Club with Mrs Raworth begins on Monday 21st September 3.30 pm to 4.30pm and will continue weekly this term up to December. There are limited spaces but if you would like to join we request a £10 fee to pay for supplies.

Wisepay will be set up to pay for this on Monday by 3.30 pm. You will also need to collect a letter from the office on Monday morning to sign.

MUSIC LESSONS

Woodwind music lessons will start on Thursday 24th September with Vicky Cardel.

Drum, guitar, bass and brass lessons start on Friday 25th September with Dan Mothers.

Parents who have already requested lessons with these instruments will have been informed. If anyone else is interested, please get in touch with the office.

Unfortunately other instrument requests could not be honoured as there was not enough uptake. However, should that change now, we will get in touch with the music service and see if they can offer us a teacher.

READING BOOKS

Can you please check that all scheme and library reading books that were borrowed during lockdown have been returned to school. We are very low in stock. Thank you

UNIFORM

Please ensure names are in all jumpers and uniform. We already have a growing collection of unnamed items in lost property. Could all Year 2 parents ensure they have the correct uniform at home as one child's jumper has disappeared and it is named.

CAR PARKING

We have already received 5 complaints from local residents about parking! **No-one** should park outside drive ways, on double-yellow lines or on verges. There are plenty of roads around this area where cars can park. Please park in a safe and sensible place to avoid accidents.

OUTSIDES SCHOOL EVENTS

Don't forget this weekend is Heritage Week in Norwich with lots of places to go and visit for free.
