PARENTS EVENING

This half term our parents' evenings will be via zoom. **You can book a 10 minute slot on WisePay to see your class teacher from this evening.** Appointments are available over the last week of this half term, beginning Monday 19th October for some classes and up to and including Thursday 22nd October. The week prior to the appointment, the class teacher will send you a link to the zoom meeting. If you join a little earlier, the class teacher will see you are in the waiting room and will let you in as soon as they are available.

This is the first time a parents' evening has been held remotely and we will evaluate its effectiveness. Sadly, it will not give you the opportunity to see your child's work and their books but hopefully by February things may have changed. Fingers crossed.

MEDICAL CONDITIONS

Please make sure the office knows about all medical conditions. If you have not filled in a form, then these are available from Juliette in the school reception.

SCHOOL LUNCHES

We apologise for any problems you may be having on WisePay. We are trying to rectify this. However a large number of lunches are not being ordered on WisePay and the children are not coming in with home packed lunch. This is causing a lot of extra work for our office and kitchen staff. PLEASE order the lunches on WisePay and if there is a problem talk to the office directly.

Thursday 1st October – St Francis of Assisi Feast Day Celebration

Although St Francis of Assisi Day is Sunday 4th October, we are choosing to celebrate our school's Saint on Thursday 1st. **Children can come to school in their own clothes to participate in the celebrations and art activities planned for the day.**

YEAR 6 – VIRTUAL TOUR OF NOTRE DAME HIGH SCHOOL

This year instead of the usual parents evening Notre Dame have a virtual video tour of the school. It can be found on the web site under ADMISSIONS not parents evening. It is LIVE as from now.

CNS Open Evening for Year 6 into 7 - 8th October

Starting secondary school is a significant milestone in your child’s education and we appreciate the importance of helping you make an informed decision about your choice of high school. With current restrictions in place we are unable to offer an open door event at CNS and instead the staff, students and governors at the City of Norwich School an Ormiston Academy, invite you to our virtual Open Evening on **Thursday 8th October**.

This Open Evening has been created exclusively for students transferring from primary to secondary school in September 2021 and will provide students and families an opportunity to hear more about CNS; including how we will support your child, the style of lessons and the curriculum they will receive, our tradition of excellent results at GCSE and A level and

our vision for the future. These are exciting times at CNS and we are incredibly proud of our 'Excellence in all' and look forward welcoming you to our community.

The Headteacher will give a presentation at **6pm on the 8th October**. To view the event as well as a range of media resources including a video tour of the school, simply visit <https://www.cns-school.org/Virtual-Open-Evening/> You will also find subject information, SEND support details and co-curricular/activities, as well as student presentations so that your child can familiarise themselves with our school.

In addition, there will be an opportunity for you to participate in an interactive question and answer session from 6.30 until 7.30pm on the same evening and this will be supported with an enquiry form, to answer any questions that you may have after the event.

In the meantime, to keep up to date with CNS information and activities, please refer to our website and social media sites @cns_school and facebook.com/CNSschool. A copy of our prospectus can be accessed here:
