COVID UPDATE

Today, we had our first confirmed case of Covid 19 affecting a child in our school. As a result, class 2J and some children in class 2H will be isolating at home for the next two weeks (14 days). We followed all our school procedures and advice from Public Health England, although there was an issue with the school server which meant that there was a delay of an hour or so in emails getting out to parents. We have since amended our procedures so that Covid messages will be sent out by email, text and on the school app.

As always, we would ask you to follow the guidance in the letters that you have all received today and if we have any updates or additional information we will contact you. Please feel free to contact the office if you have any further questions or concerns.

Year 4 Bikeability

Can all children who have filled in a form please bring their bicycle and helmet to school on Thursday 26th. Thank you

THEATRE TRIP – THE LION, THE WITCH AND THE WARDROBE

This amazing story is coming to Norwich Theatre Royal in the Easter holidays: I would have booked tickets for all of year 4 to attend if it was in school time. It is a year 4 text and I am sure it will be a magical performance for all children 6 upwards. If you are interested, tickets are available from Wednesday 25th November.

Direct from London, the smash hit production of C.S. Lewis' classic *The Lion, the Witch and the Wardrobe*, voted the nation's favourite book in 2019, is coming to Norwich. Step through the wardrobe into the enchanted kingdom of Narnia. Join Lucy, Edmund, Susan and Peter as they wave goodbye to wartime Britain and embark on the most magical of adventures in a frozen, faraway land where they meet a Faun, talking Beavers, the noble king of Narnia, Aslan, and the coldest, most evil of all, The White Witch.

This critically acclaimed production is pure theatrical magic.

CAR PARKING

We have had further complaints about the parking of parents in our school and further more about parents chatting for over 10 minutes without following the 2m social distance rule.

I have to inform you that the gentleman who reported this also reported the registration plates of the many cars to Lorraine DeVere - the Parking Administration Support Assistant at Norwich City Council.
