CHRISTMAS CARDS

Traditionally, from the beginning of Advent, children can post Christmas Cards into our School Christmas Postbox. Due to Covid, this will not happen this year. We ask that no Christmas cards are brought into school to be handed to other children due to the high chance of virus transmission. We don't want to be grinchies. We just want the community to stay as safe as possible and to stay in school for as long as possible. We ARE making the last week of this term as festive as we possibly can.

Thank you.

FROM PTFA – GET BAKING

Dear Parents (& staff too!)

As our Christmas fair is unable to take place this year, we are being creative with our fundraising efforts and trying to bring a little festive cheer into our lives. With that in mind - we would like to create an e-book of **family favourite Christmas baking recipes!**

St Francis of Assisi Catholic Primary School

Learning and growing together in God's love

Headteacher: Felicity Hope

We would like these to be ones that you normally bake at home over this festive period and emailed to our PTFA email account. Please include a picture of what the finished product looks like at the end (if possible), a list of ingredients, method, any equipment needed etc and most importantly who the recipe belongs to (as in children at our school/family members)

We are planning to collate all of the recipes together in an e-book form so we can then email a copy once completed and sell them for a reasonable price (to be confirmed once we have an idea of how many recipes will be in the book)

If there are any parents who would be able to assist in the compilation of the e-book, please also contact the ptfa via the email address provided - any help is gratefully received!

Many thanks in advance for supporting this project

GAMES FOR SCHOOL

Having a de-clutter ready for Christmas? We'd very much appreciate any old (but still in a good condition and with nothing missing if it is a game/puzzle etc) or unwanted games for our children to play with when it is a rainy day and we can't go outside to play. All donations to go to the office where we can then quarantine the items before distributing them to relevant classrooms. Many thanks in advance for your generosity.

CELEBRATION ASSEMBLIES : Well done to the children below.
