CELEBRATION ASSEMBLY NED AWARDS

1M - Ezra for working so hard on his maths task and not giving up. 1L - Ava for working so hard in phonics. Well done!

2H Olivia, for taking time and care in Art to learn Celtic patterns to make her own beautiful Iron Age mirror.

Joseph S, for working so hard in Maths to explain his reasoning and always being keen to move on to further challenges.

2J Sophie for always doing her best - being brave, kind and involved in her learning and especially for her positive and determined response to feedback

Leon for his determination and perseverance with all of his learning. He is always a kind friend to others too

3B Jacob S - Outstanding narrative writing and excellent feedback to his talk partner to improve their writing.

Kacper - For creative partitioning of numbers and excellent reasoning in mathematics

3D Matei - for his new positive approach to writing

David - for his superb attitude to learning.

4HD Mary is a 'Star' in 4HD this week as she always tries her very best in class, she has produced some fabulous work in literacy lessons and has shown lots of interest in our Morocco topic.

Ethan is a 'Star' this week as he has been a very kind and thoughtful member of the class and has shown great perseverance in lessons this week. Well done Ethan.

A 'Shout Out' to Bridie for also showing great perseverance in many things this week - well done Bridie, Mrs Downing is very proud of you!

4M Harry for an excellent piece of Literacy writing.

Ben for his hard work and helpfulness this week. 🍊

5F Cairon for writing a fantastic non-chronological report in Literacy

5M Daniel - For showing an improved attitude to his learning and writing an excellent non-chronological report about an animal on Pandora.

Madeleine -- For working really hard to use all the features from the rubric in her writing this week - well done!

6S Billy - for noticeable improvement in concentration, application and participation in class in all subjects

6R Nathania - really good attitude to learning and participation in class

6A Jude - consistent application across all subjects and a really good attitude to participation in school sport teams.

NORFOLK CONSTABULARY INTERNET SAFETY WEBINARS FOR PARENTS AND CARERS.

Dear Parents / Carers,

Keeping children safe online is a huge priority for us within the Norfolk Constabulary's Youth Engagement and Safer Schools Teams. The internet is an amazing tool, however, many of the issues the Police deal with when it comes to young people involve online behaviour. The recent Ofcom "Children and parents: media use and attitudes report" (2021) found that 97% of children aged 5 - 15 watch content on video sharing platforms. Only 30% of parents use controls to restrict their children's access to inappropriate content and just over half of 12-15s have had some form of negative online experience.

One of our Safer Schools Support Workers, along with a Safer Schools Police Officer, will be running some webinars on the dates below in which we will provide advice and guidance for parents and carers about how to keep their children safe online. We will talk about the apps and websites young people are likely to be accessing and the risks they face when using these. We will highlight some of the things that parents and carers should be aware of that might indicate that their children are experiencing difficulties online and we will give advice on what to do about this and how to have conversations about internet safety. We expect the webinar will last around an hour and there will be the opportunity to ask any questions you may have about the subject.

Dates Available.

Monday 7th February at 12:00pm

Wednesday 9th February at 12:00pm

The webinar will be held on Microsoft Teams. **Please email the Youth Engagement Team mailbox**

YouthEngagementEvents@norfolk.police.uk, stating the date you wish to attend and we will send you the link to the meeting. (Please note, you should just be able to click on the link in order to access the meeting. You do not need to download the Microsoft Teams app!)
