Year 6 Production Tuesday and Wednesday 19th and 20th July 7 pm

Celebration Awards

1L **Chukuru** A Ned award for trying so hard and producing an excellent poster about the needs of a plant.

1M **Ava R** for having a fantastic 'I can' attitude in maths. Ava is working really hard and has even asked for extra number problems to do. Great effort, Ava!

2J **Zach** for making his best effort with all his learning this week which has resulted in an excellent recount about our recent trip

Zina for always being an engaged and determined learner. I am very impressed with how she has acted on feedback to produce lovely joined handwriting.

3B **Clare K** for her outstanding artwork this week, both in art lessons and in RE. She has taken real effort and care with her learning and her ideas were an inspiration to others.

3D **Izzy** - for not only a wonderful retelling of the story of Zacchaeus, filled with interesting detail, thoughtful vocabulary ... but also for greatly improving his handwriting!

Riya - for improving her concentration in all lessons and being an excellent partner during work time... where she shares ideas and listens to those of others thoughtfully.

4M **Ben** for working hard all week and for his help around the classroom.

4HD -

Mary is a star this week as she did so well to overcome her nerves last Friday and performed in the class assembly - well done Mary.

Kacey is a star this week for learning her lines for the assembly and writing such a lovely and thoughtful legacy paragraph.

And... a big '**shout out**' from Mrs Downing to all of **4HD** for doing so well in their class assembly last week. You should all be very proud of yourselves - you were truly wonderful!

5M - **Imogen** - For designing and creating a fantastic piece of wallpaper inspired by William Morris for our Victoria Topic.

5M - **Samuel** - for working hard when writing a diary entry this week in English.

6S **Joel** for consistent application and hard work over the year; especially

6A **Eva L** for her superb effort in Maths and general all round hard work.

6R **Eli** - for asking insightful and thoughtful questions in class.

MISSING SCOOTER – Please contact the office if you have any information about its whereabouts.

NEIGHBOURS

A neighbour of our school works nights and returns back at about 8.40 whereupon she then has to take her child quickly to school. Parents are blocking her access. Please be considerate and kind to our local residents.

impressive as she has been recovering from Covid.

Mum Sarah also completed my 100km challenge along with Grace. She ran my second 10km run in April on Saturday and was pleased with the increase in the distances that I am able to run in one go.

Faith in 6S managed to wow us all, by completing all of her running in the Easter holidays. She was running 4km at a time rather than the 1km that she has set herself. This was more than she thought she would manage to achieve.

Dad Steve has been amazing too. Not only has he completed 700km last week, but when he had a week left, went on to challenge himself to 1000km and has succeeded!!

The family would like to thank everyone who has donated. They have had a remarkable response and have so far raised just under £1000.

Thank you for everyone's generosity and your kindness.

If anyone would still like to donate, they can, just follow one of the links below.

This is Grace's

The Martin Family have been sporty! The Martin Family have raised money for the UKRAINIAN HUMANITARIAN APPEAL. The Martin Family are impressive.

Last weekend, Grace (NDHS) completed her 50km running challenge. She has done so well and was running 5km at a time. This is doubly

Maths Mastery as St Francis of Assisi Primary School. Thank you to the parents who were able to attend the Parent Maths Mastery Workshop in April; it was lovely to see you and talk about maths! For any parents who were unable to attend but interested to find out about the teaching of maths in our school, please follow the link to access a parent information presentation. We hope it will be useful and if you have any questions, please send us an email via the office. Many thanks, Miss Jeffery and Mrs Watt.
