CHILDREN'S COAT HANGERS

Request – If you have any coat hangers that are specifically for children and can hang their clothes, we would be VERY grateful for them so we can hang second hand uniform for parents.

ST FRANCIS FOOD STORE

From after half term, we will be storing the food generously given by parents and shops in a container at the back of the school. This store will be open for parents to visit and choose food to fill a bag just after half term. Exact details to follow next week.

Perishable goods will need to be collected daily from the office when informed.

We are continually grateful for the generous donations brought to the office.

Sugar for Shelters

Each year we collect sugar which supports shelters in East Anglia for the homeless and families in crisis. We will do the same between now and the end of November.

Please give the office your sugar and it will be collected in early December.
