## Celebration Assembly

**1LP Emily L** for trying her best in everything she does.

**1L Maya** for working so hard in reading words and new sounds in phonics.

**2H Charles Abomeli** for working incredibly hard on his descriptive writing this week and pushing himself to make every sentence his best work.

**Maria Kedzierska** for being so kind and positive to others when they find work tricky and being a good role model by working hard on her own.

**2J Joseph** for working hard to produce some lovely descriptions in his retelling of the Ant and the Grasshopper story

**Lenny** for producing some lovely writing for his story this week and for reading so enthusiastically at any chance he gets!

**3J: Reinder** is a star this week for challenging himself in Maths, solving addition and subtraction questions mentally and proving his answers with a written method. Well done Reinder!

**3B: Isobel** - Isobel thought deeply when developing a performance to read aloud. She carefully considered how she wanted the reader to feel, using this to decide how and when to change her voice.

**Oliver** - Oliver was superb in mathematics, applying his knowledge of bonds to 100 to figure out missing number problems and algebra problems!

**4HD: Izzy** is a star this week for very accurate and quick passing in netball lessons - great work Izzy!

**Frank** is also a star in 4HD for his brilliant contributions during the class trip. The leader at the Synagogue was very impressed with his knowledge about Judaism.

**4M Tomas:** well done for your collaborative group work and for how you are challenging yourself in Maths

**Liliana:** for your efforts in your independent writing and for your participation in group work

**5W- Primrose** - always ready to learn, helpful, kind and polite..... an asset to our class.
