St Francis of Assisi Catholic Primary School

Learning and growing together in God's love

Headteacher: Felicity Hope

Dear Parents/Carers,

Photo Permission Form for Parents/Carers
Appendix 4 Amendment

St John the Baptist CMAT believes that celebrating the achievement of children in school is an important part of their learning experience and personal development. Taking photographs and videos of pupils for **internal display and displaying pupil work** enables us to celebrate individual and group successes as a school community.

We would also occasionally like to use photographs and videos of the school and its pupils to promote the good educational practice of the school via:

- The school/CMAT website or blog
- As part of professional development with practitioners from other schools/organisations
- Social media platforms using school accounts
- School Google Drive folder
- Printed publications
- Newspapers

Children's full names will **never** be published externally with their photographs, but may be published on displays in school (for example, on display with their work).

Please sign Part A, B or C on the form on the back of this letter to agree to how you agree to images of your child being used. More information can be found in our Acceptable Use Policy - https://docs.wixstatic.com/ugd/710e1b_ce6745b2f3374d66a1a45849032ee6e5.pdf

This consent form covers consent for the duration of your child's time at the school.
Once your child leaves the school, photographs and videos may be archived within the school.
More information regarding the storage and protection of images can be found in the school Data Protection policy.

A full copy of the school's Policy on Online Safety containing information on the safe use of photographs, videos, and the work of children in school can be found in the school office and on the CMAT website.

Please return this signed form to school as soon as possible.
Many thanks.
Yours sincerely

Mrs F. Hope
