St Francis of Assisi Catholic Primary School

Learning and growing together in God's love

Dear Parents/ Carers,

Tapestry

At St Francis of Assisi Primary School we use an online learning journal to help record all your child's learning and experiences while they are in Reception.

Tapestry is an app which can be downloaded onto any Apple, Android or Amazon Fire device. It is an online learning journey which allows you to see how your child is developing in school.

Features

- Each practitioner at school will be able to take pictures or videos of your child's special moments and achievements.
- These will then be uploaded onto Tapestry for you to access on your device.
- Each child has their own unique Tapestry account which can only be accessed by those with the password.
- You can upload your own pictures or videos of your child's achievements from outside of school as well as comment on the ones which we upload.
- Each observation, if relevant, will be linked to the Development Matters and the Characteristics of Effective Learning, which we use when assessing your child.

Before we can make Tapestry live to parents, we need some information and an agreement that it will not be shared on social media. Please fill out the information below and return as soon as possible. We will be able to make Tapestry live to parents once we have all the necessary information for every child. Once Tapestry is live, you will receive an email with a link, which you need to set up your password. You are welcome to ask a member of staff at school if you need help with this.

Kind regards,

Miss Betts and Mrs Martin
